

by ship. Its history was gradually reshaped due to the disastrous wildfires that eventually destroyed the logging business in the area.

Once part of Bay and Saginaw counties, Arenac County was founded in 1883, during Michigan's post-Civil War lumber boom. In addition to lumbering, other early industries included shingle mills, farming, commercial fishing and brick and tile manufacturing. Michigan's first coal mine shaft was dug in Arenac County, and although it was never productive because of an inability to remove excess water, the shaft remains there today.

The Rifle and AuGres Rivers continue to be favorite canoeing spots and provide ample opportunity for local fishermen. Arenac County's forests are favorite spots for hunting deer and small game. These areas, along with about 50 miles of Lake Huron shoreline, fuel the area's recreation and tourism economy.

As the residents of Arenac County celebrate their 125-year history, I am honored to join them in commemorating this milestone. Madam Speaker, I ask that you and the entire U.S. House of Representatives please join me in honoring Arenac County, Michigan on its 125th anniversary.

HONORING THE 80TH ANNIVERSARY OF THE BOY SCOUTS OF AMERICA TROOP 343

HON. JEB HENSARLING

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 10, 2008

Mr. HENSARLING. Madam Speaker, today I rise to recognize Boy Scouts of America Troop 343 and their sponsor, First United Methodist Church of Athens, as they celebrate their 80th anniversary.

Founded in 1928, Boy Scout Troop 3 began in Athens, Texas and, later became Troop 343. Over the past 12 months alone, Troop 343 has provided nearly 2,000 hours of community service on projects such as: collecting food for the Athens food pantry, picking up trash, and performing several flag retirement services and flag ceremonies. In addition, the Troop has partnered in service projects with the Henderson County Historical Society, Henderson County Center for the Performing Arts, and First United Methodist Church of Athens.

This Troop has not only remained devoted to preserving the ideals of Boy Scouts of America, they have done so with excellence. Seventy-four members from this Troop have achieved the rank of Eagle, Scouting's highest honor.

I also want to recognize Tommy Faulk, volunteer and former Boy Scout, for his integral role in providing a new facility for the Scouts of Troop 343.

In addition to teaching outdoor skills, Scouting also includes leadership training. Today's Boy Scouts are the leaders of tomorrow. Receiving my Eagle was one of the proudest moments of my life. The values, ethics, and morality boys learn through Scouting are critical not only for themselves, but to this nation as well.

Madam Speaker, on behalf of the Fifth District of Texas, I am honored to recognize Troop 343 for their longstanding devotion to service, leadership, and citizenship.

EXPRESSING APPRECIATION FOR JOE HILL'S SERVICE AND FRIENDSHIP

HON. JOHN S. TANNER

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 10, 2008

Mr. TANNER. Madam Speaker, I rise today to recognize Joe H. Hill, one of my oldest and dearest friends, a man whose 35 years of service to the 8th Congressional District of Tennessee has had a lasting impact on our area that will be felt for generations to come. Joe is retiring from Congressional service as the longest-serving district staff member in Tennessee history and has begun a new opportunity to continue his public service as a member of the Tennessee Board of Probation and Parole.

Joe is originally from Henry County, Tennessee, and attended Bethel College in McKenzie, Tennessee. After that, he served four years as Project Director for the Northwest Tennessee Development District and, in 1973, came to work on the district staff of my predecessor, the late Congressman Ed Jones. Joe worked as a field representative and then district director for Congressman Jones until his retirement in 1989. I was fortunate both to have the honor of succeeding Congressman Jones in this chamber and to have Joe Hill remain on the 8th District staff as District Director.

Over the 35 years Joe has served the 8th District, he worked very closely with an outstanding district staff that has helped thousands of Tennesseans who reach out for assistance with Social Security, Medicare and veterans' benefits. He has played an important role in the economic development of our area, working directly with every community in our district to upgrade the public infrastructure that rural towns like ours need to improve quality of life and create jobs.

Joe has also been very active with local and state politics, having worked with practically every Democratic candidate in our area over the past 35 years. I have appreciated his guidance over the years and know that countless other elected leaders have also depended on his keen political sense in working with the public in West and Middle Tennessee. Among the candidates Joe advised are Vice President Al Gore and Governors Phil Bredesen and Ned McWherter.

Joe and I have never worked as employer and employee but have instead maintained a working relationship more closely resembling a partnership and friendship. Betty Ann and I enjoy the time we get to spend with Joe and his wife Susan and their children, Adam and his wife Niketa, Judith and Travis. Fortunately, Joe is not going too far, and I know our families will have many more opportunities to spend time together in the future.

Madam Speaker, at the end of the day, there is one main reason we come to serve in this body: to help the people we represent. It is with the assistance of such exceptional staff members as Joe Hill that we are able to achieve those goals. There are thousands of West and Middle Tennesseans whose lives have been touched by Joe's dedication to improving our area.

I ask you and our colleagues to join me as I thank Joe for three-and-a-half decades of

service to the 8th District, express my gratitude for his long friendship and congratulate him as he enters a new phase of his public service.
